ALEX CHEN

San Francisco, CA | alex.chen@email.com | github.com/alexchen | linkedin.com/in/alexchen

PROFESSIONAL SUMMARY

Senior Machine Learning Engineer & Data Scientist with 5+ years of experience building, deploying, and scaling predictive models and Generative AI applications. Proficient in PyTorch, Scikit-Learn, and NLP pipelines using Transformers, BERT, and LangChain. Proven track record of architecting RAG systems and optimizing vector search across high-throughput production environments on AWS.

TECHNICAL SKILLS

? Languages: Python, SQL, R, Bash

? AI & M
Vision, F

EXPERIENCE

Lead Data Scientist | NeuroTech Analytics | 2022 - Present

? Design
Pinecone

Machine Learning Engineer | DataCore Systems | 2019 - 2022

? Implem
conversio

EDUCATION

B.S. in Computer Science | University of California, Berkeley
